A husband and wife team specialising in urban domestic back gardens, Matt and Katrina Kieffer-Wells create positively funky spaces – check out their impressive before-and-after shots online. Consultations cost from £75, design packages from £1,200. If your budget doesn't stretch to a full service, packages include a One Day Attack, £350, to blitz neglected spaces; and the Postal Design Package, from £165, which provides step-by-step guides on how to complete the proposed project yourself.
